SMA Mosque Parking

- Follow the parking guidelines, as below, as any unauthorized parking may cause discomfort to our neighbors and would result them calling cops again to issue tickets or tow away your car. **Worse yet, as this poses safety hazard, we might jeopardize city approval for prayers at our masjid.**
- A few of the brothers from our community have graciously agreed to volunteer as parking attendants this Friday. **Please follow their parking instructions!**
- Park your car in designated parking spots in the main parking lot – **Do not** park at other places that block entry/exit or in fire lanes.
- Once the main parking lot is full, consider it closed and then proceed to park in street 222nd Ave SE, 216th Ave SE or 215th PL SE. **Do not** park in the red zones as indicated on the map below. The map shows in green the roads that can be used for parking.

- **Parking at the front of the masjid is only for the ADA (Parking for people with disabilities) and reserved spot for Imam.** Again, **do not use** these spots in any other circumstances and instead use the main parking lot or the street parking for overflow, as indicated on the map above.
- Please note that parking on the grass area is **no longer permitted.**
- IBSEN towing company has posted signs at the main parking lot and in the lane leading up to the masjid. If they still notice any violation, they are authorized to **tow away your car** as we cannot afford to park in fire lanes or block entrance or other cars as it creates **safety hazard** risking lives and the city approval.

This is our masjid, and we all have shared responsibilities. If you see a brother who is parking on an unauthorized spot, who presumably might not have received this communication, please politely advise, and guide him.
